Ours

1. Leg and Ankle protection design make sure your legs and ankle get ultimate flexibility and protection
2. Anti-collision EVA pads providing higher protection than other shin guards
3. Non-slip strip and Ergonomic stitching keeps steady your legs during exercise

Others

1. Without leg and ankle protection will get hurted easily
2. Guard heavier than our Neomour updated knee pad
3. Easy to slip on/off your leg and ankle well
